WEST MIDDLE ISLAND SCHOOL
KINDERGARTEN REGISTRATION
2018-2019

Kindergarten registration will be held at West Middle Island Elementary School beginning **Monday, Tuesday and Wednesday, March 12th, March 13th, and March 14th, 2018**. Any child who will be five years old on or before **December 1, 2018** will be eligible to begin kindergarten next year. In order for us to make registration as smooth as possible, we are asking your assistance at this time in providing information to help us determine what our enrollment will be for next year.

If parents wait until the summer to register their children, it can affect our class size, class placement, as well as the ordering of the appropriate supplies and materials to begin the new school year. Other than your own child, you may know of children in your neighborhood who would be eligible to begin kindergarten next year. If you would have them contact the West Middle Island School at 345-2755, we will see that they receive the appropriate registration material.

By completing the entire form now and returning it to us, you will be assured of receiving the necessary information prior to the registration period. Your assistance in this matter would be greatly appreciated.

Sincerely,

Mrs. Gretchen Schaentzler
Principal
