

## Administration Procedure

# **WE SUPPORT™ Community Survey**

### *West Middle Island Elementary School*

The **WE SUPPORT** Survey is designed to inform schools and districts about expectations and perceptions the community has about student learning. The Survey is structured around three main constructs:

- *Rigor*
- *Relevance*
- *Relationships*

**To access the Survey, instruct parents and community members to do the following:**

- Go to [www.wesurvey.org](http://www.wesurvey.org)
- Enter the case sensitive password (copy > paste works best): **C9L4WME**
- When all questions have been answered, click **Submit** for your responses to be recorded.

Thank you in advance for completing this survey by. The insight you provide will be valuable in our ongoing efforts to improve student achievement.

---

**Please read the following before taking the survey:**

- The **WE SUPPORT** survey takes 10-15 minutes to complete.
- Your responses are anonymous, so please answer all questions honestly.
- Please try to provide your perceptions and expectations of the school or district overall.
- Your input is important to us as we continually strive to make this school better for you.
- Thank you!
